Validity

The Tenderer should keep his offer valid at least for a period of **90 days** from the date of opening and if necessary for a further period as desired by the CE(Project), BWSSB, 3rd Floor, Cauvery Bhavan, Bangalore-560009

Agreement Clause

9. a) The enquiry along with the appended schedules shall form part & parcel of the agreement, which is executed after acceptance of the tender.

b) Agreement in the prescribed format shall be executed between successful Tenderer and the Chief Engineer (Project),Bangalore-09 within **21 days** from the date of communication of approval of his/their tender, failing which the E.M.D. shall stand forfeited.

10. **Rates to be offered:-**

a) The rates should be legibly uploaded in figures.

b) The rate quoted for supply of DI sluice valves ranging from 100mm to 600mm dia as per technical schedule should be inclusive of GST, III party inspection charges, transit insurance, transportation, stacking, unloading, etc., F.O.R. Central Stores, C.J.F. Malleswaram, Bangalore – 560012.

c) The lowest rate received for DI sluice valves ranging from 100mm to 600mm dia as per technical schedule will be considered during evaluation of the tender and the supplier is bound to supply at the lowest rates received throughout the contract period.

d)In case of any concession, exemption or refund of Duty is applicable to the above supplies, which are to be passed on to the purchaser, the supplier shall consider the above in his offer, and specifically mention such benefits in the Technical Offer. In case of any such levies which are exempted / refundable which are not to be passed on, these details shall be furnished in the Technical Offer

11. e)The rate quoted shall remain 'Firm' till the supply of the entire quantity as per the schedule "B" and during the contract period the supplier shall not be entitled for any enhancement in the rate on account of rise in the price of raw materials, electricity tariff, diesel, oil, statutory levies, transportation, etc., or due to any reason whatsoever.

e)f) f)In case, the additional quantities DI sluice valves ranging from 100mm to 600mm dia over and above the quantities noted in the 12. Schedule are required during the period of contract, the supplier shall be bound to supply the said quantities at the accepted rates up to 25% of tendered quantity, Likewise, the tendered quantity can be curtailed to an extent up to 25%.

g) The supplier shall be entirely responsible for GST and other expenses incurred until the delivery of DI sluice valves ranging from 100mm to 600mm dia to FOR Stores, Malleshwaram, Bangalore-12.

Evaluation of tenders:-

a. The evaluation of the tender will take into account, GST, III party inspection charges, transportation charges, transit, insurance and other costs which are incidental to the delivery of the DI sluice valves ranging from 100mm to 600mm dia, FOR Central Stores, Malleswaram.

Delays in the supplier's performance:

13. (i)The maximum time allowed for completion of the supplies is 12 months from the date of supply order and the supplier shall regularly intimate the progress of supply to the purchaser regarding the quantity offered for inspection and date.

(ii) However, the time schedule shall be indicated at the time of agreement. The Supply Schedule should be promptly adhered to.

(iii) If, at any time, during performance of the contract, the supplier should encounter conditions impeding timely delivery of the goods and performance of services, the supplier shall promptly notify the purchaser in writing of the fact of the delay, its likely duration and its causes. As soon as practicable after receipt of the supplier's notice, the purchaser shall evaluate the situation and may, at its discretion extend the suppliers time for performance with or without liquidated damages.

14. (iv) Except for the delay in an event of **Force Majeure** (an event beyond the control of the supplier and not involving the supplier's fault or negligence and not foreseeable) a delay by the supplier in the performance of its delivery obligations shall render the supplier liable to be imposition of liquidated damages, pursuant **Clause-10** unless an extension of time is agreed upon pursuant to **Clause 9 (iii)** without the

15. application of liquidated damages.

Liquidated Damages Clause:

Failure on the part of the supplier to make supply as per the Supply Schedule indicated will be construed as a breach of contract, and the purchaser shall deduct from the contract price, as Liquidated Damages, a sum equivalent to **0.5%** of the delivered price of the delayed goods **for each week** or part thereof delay until actual delivery upto maximum deductions of **10%** of contract price. Once the maximum is reached, the

16. Purchaser may consider termination of the contract.

Termination for Default:

17. (i)The purchaser may without prejudice to any other remedy for breach of the contract by a written notice of default sent to the suppliers, terminate the contract in whole or part:-

a)If the supplier fails to deliver any or all of the goods within the period specified in the contract or within any extension thereof granted by the purchaser pursuant to **Clause-9.**

b) If the supplier fails to perform any obligation under the contract.

c)(i) If the supplier in the judgment of the purchaser has engaged in corrupt

or fraudulent practices in competing for or in executing the contract.

18. (ii) In the event purchaser terminates the contract in whole or in part pursuant to **Clause-11(i)** the purchaser may procure up on such terms and in such manner as it deems appropriate, DI sluice valves ranging from 100mm to 600mm dia similar to those undelivered, and the supplier shall be liable to the purchaser for any excess stock for such similar DI sluice valves ranging from 100mm to 600mm dia. However, the supplier shall continue the performance of the contract to the

	extent not terminated
19.	**Termination for convenience:** (i) The purchaser by written notice sent to the supplier may terminate the contract in whole or in part, at any time, for its convenience. The notice of termination shall specify the termination is for the purchaser convenience, the extent to which performance of the supplier under the contract is terminated and the date upon which such termination becomes effective. (ii)The DI sluice valves ranging from 100mm to 600mm dia that are complete and ready for dispatch within thirty days after the supplier's receipt of notice of termination shall be accepted by the purchaser at the Contract Terms and Prices for the remaining quantity of DI sluice valves ranging from 100mm to 600mm dia the purchaser may elect:- (a)to have any portion completed and delivered at the Contract Terms and Prices and/or (b) to cancel the reminder and pay to the supplier an agreed amount for partially completed DI sluice valves ranging from 100mm to 600mm dia.
20.	**Guarantee Clause:-** (a) 100mm to 600mm dia Glandless DI Sluice valves for transpostation shall be packed in accordance with BS:5163-1986/IS:14846/2000. (b).In case, if the thermoplastic sewer hose supplied are not in accordance with the specification or if same are received in damaged condition, the supplier shall take back such DI sluice valves ranging from 100mm to 600mm dia and replace them with good glandless DI sluice valves within a week`s time duly tested by a third party at their factory without any additional cost to the Board. (b) The tenderer shall be responsible for any losses, destructions and damages of DI sluice valves ranging from 100mm to 600mm dia. during transit.
	Insurance: The DI sluice valves ranging from 100mm to 600mm dia to be supplied shall be fully insured in Indian rupees against loss or damage incidental to manufacture or acquisition, transportation, storage and delivery of thermoplastic sewer hose at site. The insurance shall be obtained by the Supplier from FOR Works to FOR Stores, Malleshwaram, on **"All Risks"** basis including war risks and strikes and this rate should be included in the offered price.
	Payment Clause : (a) 100% payment will be made within 60 days after the receipt of thermoplastic sewer hose at Divisional Stores, CJF, Malleshwaram along with Invoice Copies and factory test certificate. **Inspection and Testing** a) The tenderer should have facilities to test on Glandless DI sluice valves will be carried out by any one of the 3rd patry inspection agencies appointed by theBoard and the cost towards the same should be included in the offer of the tenderer. b) The sample sizes for various tests and criteria for acceptance will be as per IS: 14846/2000. **Performance Security** Within 20 days of the receipt of award from the Purchaser, the tenderer shall furnish a Performance Security in the form of Bank

Guarantee in a sum equivalent to 5% of the contract price. Also an Additional Bank Guarantee for unbalanced amount shall be furnished if the offered bid is unbalanced. If not, the EMD deposited by the tenderer shall be forfeited. The performance security shall be valid up to 60 days after the date of completion on performance obligation and the purchaser shall refund the same after the satisfactory completion of the suppliers in the complete manner. The Security Deposit shall not bear any interest.

LEGAL CLAUSE:

(a)Conditional tenders are rejected outright.

(b) The CE(Project)reserves the right to accept or reject any or all tenders without assigning any reason whatsoever. Even if the Tenderer meets all the eligibility and qualification criteria his tender shall be summarily rejected, if he is found to have misled or made false representation in the form of any of the statements submitted in proof of the eligibility and qualification requirement or if he has a record of poor performance such as abandoning the supplies, not properly completing the contract, inordinate delays in completion, litigation history or financial failures etc.,

(c)In case of any dispute arising out of this contract, the decision of the CE(Project) is final on both the parties.

(d) The Contract shall in all respects be construed and operative as per the provisions of Indian Contract Act, Sale of Goods Act- 1930 and in conformity with Indian Law and is subject to the jurisdiction of **Bangalore City Civil Courts only.**
